# Girls Rise Up

A STEM + Dance Summer Program

July 8th - July 26th

Girls Rise Up is STEM From Dance's three-week summer program designed for girls to explore the exciting world of STEM. Each day is jampacked with dance to get participants moving and to supercharge their STEM skills.

This is an opportunity for girls of all backgrounds to level up their confidence, unlock new STEM abilities, and connect with a supportive tribe of like-minded creatives and technologists.

A program of:

STEM FROM DANCE

The Experience

Over an unforgettable three weeks, you'll:

➡ Delve into topics like sound & audio technology, engineering and circuitry

➡ Explore dance styles like Hip-Hop, step, and contemporary

➡ Create your own choreography

➡ Design a STEM project to enhance your performance

➡ Learn from people dedicated to seeing what's possible in STEM and dance

➡ Build friendships and community with people who look like you

Jump into summer and expand your creativity, boost your confidence, build up problem-solving skills, and meet girls just like you.

Discover

how to use technology like motion capture and animation.

Activate

your imagination. Work together with like-minded girls to combine dance with code and showcase your creativity.

Connect

with girls curious about STEM and women who currently work in the field.

A Day at Girls Rise Up

Get Inspired

Listen to a guest speaker, participate in a confidence-boosting activity, or watch a breathtaking performance.

Learn & Create

Learn different kinds of technology, create choreography, and put the two together to create a performance.

Afternoon Connection

Share what you learn, give and receive feedback, reflect on your progress, and celebrate each other.

About STEM From Dance

Our communities have traditionally used dance to release, celebrate, draw strength, communicate, and learn. We combine dance with tech to transform STEM careers from unthinkable to within reach and show girls how confidence in STEM subjects can be a way of life just as much as dance.

Girls in our programs work together to choreograph dances, design and build the tech in their performance, and connect with other girls and supportive adults who share their interests. We inspire and encourage our girls to dream big and help them turn their dreams into reality — on stage, in the classroom, and throughout their lives.

Our work has been recognized by:

NBC UNIVERSAL   ESSENCE   Forbes

GLAMOUR   BUSTLE   FAST COMPANY

The Details

Where & When

⇒ **New York - Brooklyn**
New York Univerity
370 Jay Street, Brooklyn, NY 11201
A C F R Trains to Jay Street MetroTech
July 8 - 26 | Monday - Friday | 9AM-3PM

⇒ **New York - Manhattan**
Barnard College
3009 Broadway, New York, NY 10027
1 Train to 116th Street - Columbia University
July 8 - 26 | Monday - Friday | 9AM-3PM

How To Apply

Fill out an application form at
stemfromdance.org/programs/girls-rise-up
Open to girls ages 8 - 18

Admission decisions will be made on a rolling basis.
The sooner you apply, the sooner you can secure a spot.
Space is limited.

Cost

FREE to all students
Includes lunch and materials

Frequently Asked Questions

What is the Daily Schedule?

Programming takes place Monday through Friday between 9:00 AM and 3:00 PM in respective time zones.

Will there be a virtual option this summer?

No. All programming will take place in person this summer.

Are boys able to join?

No. The STEM workforce faces significant underrepresentation, especially among women and particularly women of color. STEM From Dance was established with the aim of addressing this disparity by empowering girls in STEM. In order to foster a supportive environment that builds confidence in girls, our programming is not open to boys.

Will lunch be provided?

Yes. Every program day, healthy snacks and lunch are provided.

What is the final Showcase?

The final Showcase is an amazing culmination of all the hard work that students have put into their Dance and STEM projects. The showcase will take place on the final day of programming. Locations and further details will be provided at the start of the program.

What if my child is sick and has to miss a day?

We understand that illness cannot be avoided and we will work with your child to catch them up. We ask that parents inform their Site Leader if their child is out due to illness.

What are Site Leaders?

Site Leaders are the administrators at each site, similar to a principal at your child's school. They oversee the day to day operations and will serve as your point of contact once the program begins.

What will my child need in order to participate?

All supplies needed to participate fully, plus a Girls Rise Up t-shirt, will be provided. Students only need to come in comfortable clothes for dancing.
